

One Good Deed

About 4 times during the course of the year, teens go out and do something good. This past year, we have been serving Straight & Narrow, a diocesan and state run rehabilitation center. Mostly we paint, but if there are other jobs that need to be done, we are willing to do them as well.

Each event is run from 9 am to Noon, so from Corpus Christi, we leave the parking lot at about 8am, and return by about 12:30. About a dozen teens go on a run, accompanied by parents who drive and chaperone, and help with the work as well.

It is striking to see the other end of drug and alcohol issues – as young people work hard to clean up their lives, and get back on their feet. In the meantime, we are doing a good deed.
