

Pancake Breakfast

It is the biggest youth ministry event of the year. The last weekend in January we have an all-parish pancake breakfast. Its proceeds benefit the Summer Service trip, but all kinds of people volunteer. With most volunteers arriving at 6:30 am, we have cooks on the floor who make eggs and donuts. We have cooks in the kitchen making pancakes and waffles. We have teens working the juices and coffee, the bacon and sausage, the fruit, and whatever else we come up with. We also have servers and those who clean up, as well as a roaming cart of coffee and tea. During the morning masses the gym hums like a well-oiled machine with everyone in place doing her or his part, and parishioners happily eating delicious breakfast.

The day before is filled with the smell of bacon as it and the sausage are pre-cooked. While that is happening teens, who are here from about 10 am to 2 pm, decorate the gym to look like a 1950's diner. Great fun!
