**Mass, Class, and Family Events are required components of the Faith Formation Program**

### Color Key, and important program policies

**Classes** for Grades PreK-6, students can miss up to two classes per school year. Email Brigitte if your child will be absent or if they need to schedule a make up class

**Family Events, at least one parent should attend 7 events with their children each year.** RSVP to events using Sign Up Genius. Other family events will occur throughout the year that are coordinated by other ministries in the parish, they also can be used to achieve the 7 total event required. If over 2nd grade, at least one of your events must include the sacrament of Reconciliation.

**First Communion/Reconciliation** related events and meetings, these are required events for children in 2nd grade. Second grade families will be contacted separately from the rest of the PreK-6 group. These events take the place of family events for second graders and their families.
